

Riviera Nautic

Riviera Nautic's Wonderful Boating Holidays are fun and relaxing, with just the right mix of sophistication and hiding away from the world. The live-aboard yachts and motor cruisers, from two to eight berth, are comfortable and easy to handle and sailing lessons are available. The Lakes are a vast waterway of deserted beaches, portside cafes, national parks, sheltered moorings, pristine ocean beach and abundant wildlife and birdlife. Many places are only accessible by boat. Riviera Nautic is a multi-award winning business and one of only three small businesses in Australia to be inducted into the Australian Tourism Hall of Fame.
